**Rows X Roads.**

We put up William Wilborn's tombstone last Saturday. There was only three Soldiers there. You fellows that hates coffee coolers and Bounty jumpers won't have to hate them much longer they will soon be out of your way.

We had the biggest rain last Saturday night and Sunday I think I ever saw. There was much damage done. The loss on the river is great, in the way of logs and cedar post and polls. Jim Oaks lost a whole raft of cedars.

Dr. Barger was here Sunday night, he had bad luck. He lost his big Odd-Fellow speech at Jamestown and his dinner. I hope that the Doctor will get over it in due time.

Brother Petry and wife, of Kansas, City Mo., Sunday school Evangelist, will commence here at the Oak Grove church May 15th. Come and hear them.

Born, to the wife of Beldon Helm, a boy April 30th. I wish you could just see Bill. Its grand father Bill Cook, just stepping around saying, honey don't cry.

Bill Cook has got a good Peacock colt. It is just a dandy.

Dr. Tom Jones was in these parts last week doing dental work. Tom is still able to grunt yet.

Oliver Hadley, George and Willie Cook, have just got back from the river and report a big river and much damage. A big loss to the timber men and many land slids in the river hills.

**Mrs. Bettie J. Corbin.**

God in His infinite wisdom has permitted the death Angel to visit one of our homes in the Carmel community and claimed for his own, one of noblest spirits.

The subject of this notice, Mrs. Bettie J. Corbin, (nee Dudgeon) wife of M. E. Corbin was born June 5th 1877; died April 24 1911.

Her death was not unexpected as she had been a sufferer of that awful wasting disease, Tuberculosis, for about a year.

She was willing and ready to succome to death when the summons came.

Her life was a transparent one. She was a possessor of those inherent qualities, requisite to constitute noblest womanhood.

As a wife she was most companionable as a mother she was most tender and sympathetic, as a neighbor she was not excelled and as a Christian her life was spotless. She professed religion in early girlhood and united with the M. E. Church South at Carmel and in which she lived

consistent member until her death, she leaves behind a husband two daughters, and a number of other friends and relatives to mourn her loss.

The funeral services were held at Carmel, conducted by the writer assisted by Rev. W. S. Dudgeon.

The interment took place shortly after the funeral services in the Carmel Cemetery. Hers was a beautiful Christian life and while we are sad, yet we weep not as those who have no hope.

Her pastor.

**Do Ghosts Haunts Swamps?**

No, Never. Its foolish to fear a fancied evil, when there are real and deadly perils to guard against in swamps and marshes, bayous, and lowlands. These are the malaria germs that cause ague, chills and fever, weakness, aches in the bones and muscles and may induce deadly typhoid. But Electric Bitters destroys and casts out these vicious germs from the blood. "Three bottles drove all the malaria from my system," wrote Wm. Fretwell, of Lucama, N. C., "and I've had fine health ever since." Use this safe, sure remedy only. 50c at Paull Drug Co.
